## The Hub @ PCCS - After Hours Drop-In Service

**The Hub** is our community-based drop-in centre. It's a fun, engaging and safe space designed for people who are experiencing mental health issues and need support.

It's a place to go after hours and find non-urgent, face-to-face support from a social worker or specialised mental health care nurse on-site.

It's also a social hub where you can watch movies, play games, learn something new and find friends.

**The Hub** is co-located with Primary & Community Care Services (PCCS), a local health organisation.

Monday-Friday 6pm-10pm, Saturday-Sunday 11am-10pm
