## GIVIT

Do you have clients who need items? Does your service need items? We'd like to introduce you to GIVIT! GIVIT is a national not-for-profit connecting those who have with those who need, in a private and safe way.

GIVIT works to alleviate poverty in Australia by ensuring every community service provider has what it needs through the simple act of giving. GIVIT is free to use and allows you to list items needed by vulnerable members of the community on the GIVIT website ([givit.org.au](http://givit.org.au)). Donors can give directly to your request, and save you time trying to source a bed or other essential item needed by the person you are supporting.

Once you register with GIVIT you can also view a list of all existing donation offers in your area. GIVIT already supports agencies, services and charities on the Gold Coast who work directly with impoverished, marginalised and vulnerable people. We have been successfully tapping into the generosity of Gold Coast donors and would like to give you the opportunity to also register to use our service.

GIVIT adheres to a strict Privacy Policy, the donor will know what organisation they are giving to, but never the identity of the person you are supporting. GIVIT makes it easier for you to empower your clients and improve their quality of life.
