Mermaid Central Medical Clinic

Working together for your health and wellbeing

Mermaid Central Medical Clinic in the heart of Mermaid Beach on the Gold Coast caters for all of your medical and allied health needs. The clinic is a medical centre staffed by dedicated and experienced doctors, who strive to provide excellent care to all patients.

At Mermaid Central Medical Clinic our mission is:-

- to provide a professional, effective and caring service to our patients at all times
- to provide an atmosphere where the patient feels comfortable and is confident in the knowledge that his/her welfare is our prime concern
- to set and maintain a standard of care by which others will be benchmarked
- to keep safe and confidential at all times all correspondence pertaining to each patient.

We are equipped and staffed to provide a variety of medical services for adults and children, as well as workplace health care. As well as comfortable and well equipped treatment rooms, we offer the convenience of an on-site pharmacy.

Our medical and allied health practitioners include:

- Cosmetic Enhancement - Anti-wrinkle treatments & Fillers
- Fibromyalgia (FMS) and Food intolerances
- Skin Cancer Clinic
- Travel Vaccinations & Immunisations
- Family Planning, IUD and contraceptive implants
- Physiotherapy
- Podiatrist - Children, Sports & Diabetic Care
- Diabetic Educator
- Sleep Apnoea Clinic
- Occupational Health Driving Assessment
- Dietician
- Chronic Disease Management
- Men's & Women's Health Clinics
- Acupuncture for Pain Management & Stress relief
- Pre-employment Medicals
- Psychology, Pathology, Pharmacy & Dentists onsite

We understand how important your health is and with our superb modern facilities and caring medical professionals you can be sure your health is in safe hands.

We ensure our patients who receive care from our practice can be comfortable in entrusting their health information to the practice. We abide by the Australian Privacy Principles and collect personal information (name, address and contact details, Medicare number and medical history) for the primary purpose of managing your healthcare and for
