Reconnect - Mission Australia

Reconnect is a community based program that offers early intervention, counselling and practical support to young people aged 12-18 who are experiencing homelessness, or are at risk of becoming homeless.

The program aims to break the cycle of homelessness through the provision of accommodation, counselling, mediation and support, with a strong emphasis on family reconciliation and community engagement.

Our experienced Reconnect team works closely with young people to tackle issues in their lives; improve their family relationships and maintain their participation in education, employment and the community.

Reconnect caters to the needs of each individual and offers a flexible and accessible approach. Appointments can be held in local parks, cafes, school at the Mission Australia office. We work hard to accommodate the individual's needs and you can talk to us in confidence.
