Cura Community Care

CURA Community Services provide private and government funded home and community services. Our experienced and highly trained team enable our customers to live independently in their own home. For over 30 years as the Multicultural Communities Council Gold Coast we have helped people to access services that are available while our unique insight around diversity enables a culturally considered delivery.

Our services include domestic assistance for housework, home care workers for meal preparation, personal care, shopping and banking, social support, care advisors and case managers, nursing and clinical care. We cater for palliative care, rehabilitation support and dementia care.

Our CURA kitchen has an extensive menu for our customers to enjoy while visting our wellness centre or we can deliver direct to your door. Check our menu on www.curacares.com
