## 13SICK, National Home Doctor Service - After Hours GP Gold Coast

### BULK BILLED AFTER HOURS GP GOLD COAST

If you or your family need an after hours GP on the Gold Coast or Tweed Heads on a weeknight, weekend or public holiday, call 13 SICK (that's 13 7425) for a bulk billed doctor directly to your door.

13SICK, National Home Doctor Service is Australia's largest network of bulk billing home visiting doctors. We provide access to high quality, bulk billed after hours health care when your regular GP is closed. All of our doctors carry a range of medications, such as common antibiotics, so treatment can often begin immediately. Our doctors provide a clinical report after each visit to the patient's usual GP within 24 hours, ensuring continuity of care is maintained.

13SICK, National Home Doctor Service is a privately-owned Australian company with over 800 doctors nationally, who provide high quality after hours medical care to over one million Australians each year in their homes and in aged care facilities. We provide coverage to over 90% of the Australian population, including the Gold and Tweed Coasts.

13SICK, National Home Doctor Service is committed to providing quality care to all patients and is accredited by the GPA to the standards of the RACGP.

We are a bulk billing service. We do not charge you a fee for your home doctor visit, where:

- You have a Medicare card (or DVA card)
- You are an overseas student with health cover from Allianz, Medibank or Bupa

To book an after hours, bulk billed home visit, patients can simply call 13 SICK (13 7425) or download our App (by searching 13 SICK) in the Apple App Store or from Google Play.

Our call centres are open from 4pm on weekdays, 10am on Saturdays or 24 hours on Sundays and Public Holidays.
