Safe Homes Australia

Safe Homes Australia is a local Gold Coast Occupational Therapy service that aims to help older people remain active, independent and live in their home for longer.

Our experienced Occupational Therapist will assess your home to identify potential areas of falls injury risk and offer individual solutions.

We provide products and organise installation.

Egs include:

- grab rails for shower, toilet, steps and any other areas of need
- aids for the bathroom and toilet rooms including specialised chairs and mats
- aid for the kitchen including ,trays, trolley, steps and reachers
- lift chairs and beds
- day chairs
- walkers and canes
- stair chairs

We believe a few simple steps can go a long way in helping people feel safe, confident and stay on their feet.

Prevention is the Smart Choice!

Call us now to book your Home Safety Check ...
