Skin Clinic Robina

[Skin Clinic Robina](#) is a leading Gold Coast surgery that specialises in skin cancer treatment and advanced [cosmetic surgery](#) procedures. Having recently moved to our brand-new, purpose-built location in 2016, we pride ourselves on our exemplary level of care, which has resulted in outstanding patient satisfaction; 80% of our new patients are referrals from previous patients.

We offer comprehensive skin checks, diagnosis and management of skin cancers. Our treatment options include Photodynamic therapy, Flap surgery, Graft surgery and Margin control surgery. We also offer cosmetic removal of sun spots, freckles and broken capillaries, in addition to anti-ageing and acne scarring treatments, [laser hair removal](#), disfiguring surgical scar reduction and coolsculpting. All procedures undertaken at the [skin cancer clinic](#) are under the direct supervision of our team of prominent Dermatologists and all staff are fully trained in the latest evidence-based [cosmetic medical procedures](#).

In order to evolve their skills and adapt to the ever-changing industry techniques, our staff regularly attend conferences and seminars, both nationally and internationally. We work closely with and have good working relationships with other renowned [Dermatologists](#), Oncologists and Surgeons based on the Gold Coast, if additional specialist input is required.

All doctors at Skin Clinic Robina are Australian trained Skin doctors and as such, we are trained to look at the effects of prolonged sun damage, photo-ageing, assess pigmentation, your skin tone, the degree of photo-damage and treat it appropriately. By incorporating anti-wrinkle injectables, volumising injections, Photo dynamic therapies, Dermapen skin needling, skin peels, Dermabrasion, IPL, Lasers and eyelid surgery for a refreshing and rejuvenating natural youthful look.

We offer a full range of advanced skin treatments, including:
