Coolangatta Medical Centre

Here at Coolangatta Medical Centre we are a group of people brought together by a common purpose: to improve the health and happiness of our patients.

As a whole our primary objective is not only to look after your holistic well being, but to also look after the well being of the community as well. We welcome patients from all backgrounds, at any stage in their lives.

Services provided:

- skin cancer checks
- travel vaccinations
- aged care
- family medicine
- childrens vaccinations and paediatrics
- chronic disease management
- antenatal, pregnancy and postnatal care
- extensive vaccinations
- men's health
- diabetes and heart problems
- health checks for all
- spirometry testing
- pathology
- standard pre employment medical
- drug and alcohol testing
