QuIHN Gold Coast Therapeutic Service

QuIHN is a statewide service that supports and promotes the health and well being of people who currently use illicit drugs, those who have used illicit drugs in the past, and members of the community touched or affected by illicit drug use.

QuIHN provides a free service for people seeking support around their drug use. QuIHN aims to support you to make the changes you would like to see in your life, through the provision of:

- Counselling
- MAISE Dual Diagnosis Group
- Treehouse Parenting Group
- MudMaps Weekly Support Group
- Case Management

The primary focus of QuIHN Therapeutic Services is to empower individuals to establish control over their lives through emphasising individual values, person decision-making and goal setting. This service is provided on an outreach basis supporting individuals and families seeking support around their drug use in the Gold Coast Northern Corridor Region.

Services are tailored to meet your needs and can focus on:

- Drug use and mental health concerns (Dual Diagnosis)
- Motivational support to reduce or quit drug use
- Relapse prevention and management
- Referral into other specialist services such as detox and rehabilitation
- Issues associated with past trauma and abuse
- Support for significant others/carers of someone affected by substance abuse.
