In complying with the relevant legislation and the Australian Privacy Principles 2014, Gold Coast Primary Health Network (GCPHN) provides the following advice about how GCPHN handles, holds and permits access and correction of personal information in accordance with the Australian Privacy Principles including how to complain about a breach in privacy and request corrections to personal information. GCPHN collects personal information for the purpose of assisting its activities and functions in the primary health care sector. If your contact details are collected they may be used to forward information and notifications from GCPHN. In some circumstances we may provide information to our funding agency (Department of Health) or to service providers that enter into legal contracts with us which are bound by confidentiality. There is no legal requirement for you to provide your personal information, however if you choose not to disclose your personal information this may exclude you from our services and programs. We do not routinely disclose information overseas. For further information on how we manage your personal information see our website www.healthyc.com.au.
